Subject: Would you want to live here?

I have lived in Tega Cay, SC for 8 years now and have moved here from Rochester, NY. In the time we have been here, we have had our water bill increased to almost \$100/month, compared to 30/quarter in NY. For the increase, we have experienced thousands of gallons of waste dumped into our Lake Wylie. Utilities Inc/Tega Cay Water Services have sent countless advisories to boil water, to not swim in the lake. Our neighbors have experience sewage backing up into their basements and houses, multiple water pipe breakages, and overall lack of proper services for the increase.

We get letters from Utilities Inc that the system is being worked on and should not have anymore problems, yet again, we recently have had over 9 spills into the lake. If we cannot get any action to fix this problem once and for all from Utilities Inc., where should we go to elevate this issue and get it fixed? Privatizing our water and ultimately our health, is NOT WORKING! Would you want your family to live in a community like this? What do you suppose is happening to our property values? You govern this state, why would you tolerate this?

WE NEED HELP TO GET THIS PROBLEM FIXED! Please help us in Tega Cay!

Sincerely,
 Mary
